

September, 2018

Dear Class of 2021 Parents and Students:

Welcome back! We have a great year ahead of us. As you are aware, each class heads their own fundraising efforts for Project Graduation, which is a fun-filled alcohol/drug free evening following graduation.

This year we plan on selling NEW Class of 2021 Spirit Wear. Items will be available for purchase for a short period of time in September. We will have two movie nights this year, one in October and the other in May. We have some other fun things in the works, as well. Military Bridge will be held Wednesday, October 24th. This is our BIGGEST Project Graduation fundraiser. The proceeds raised this night are divided amongst all four classes. (Please see our donation flyer on the website, as we will begin collecting donations soon.) We also need volunteers to help prepare and/or deliver baskets to the school for this event! Don't miss the opportunity to support our class. See the link on the APTS website to purchase your tickets, make a donation or volunteer.

Wednesday, September 17th, is the first APTS Meeting (Association of Parents, Teachers, and Students) of the year. Please come out and support our kids by getting involved. Don't forget to sign up for your APTS Membership (see website). If you are not a member of our Facebook page, you can find us at 'RHS Class of 21 Parents.' Please remember to state your child's name so we can verify and approve you.

Thank you for your assistance and support. Please contact us with questions, ideas or to join in the effort.

Kind regards,

Project Graduation Committee: Class of 2021
Beth Hopkins, Kelly Puglisi, Joan Clemente and Cathleen Cahn
