Dear Seniors:

Wow—it's here! In a few weeks, we will be welcoming you back to Ramapo for your final year of high school.

Senior year is an exciting and important time in your life, filled with opportunity, adventure, and once-in-a-lifetime events. You will also be faced with major decisions this year, including college and career choices. Keep your priorities in order and take advantage of the wisdom and resources available to assist you.

At the same time, remember your special role in our school community. Continue to lead by example with good conduct in school, at athletic contests, and at other events.

See you on September 6th. Best wishes for success and happiness this school year. I know you will make us proud!

Very kind regards,

Travis Smith
