

About Ramapo Boosters

RAMAPO HIGH SCHOOL YEAR 2018-2019

FREE INSULATED TOTE BAG TO EACH ATHLETE WHO JOINS
Additional totes can be purchased for \$10.

The Booster Association promotes the tradition of excellence of sports programs at RHS

We provide funding for items to help student athletes excel on and off the field.

What we have accomplished:

-We licensed the HUDL System. All coaches, athletes and parents can use this website that provides access to film where we can further train and develop our athletes. You can breakdown plays, add notes, and scout opponents. Athletes can use the game footage to create individual college highlight reels for recruiting purposes.

-We acquired 2 GAMEREADY cold therapy compression systems (therapeutic devices for use by student-athletes).

- Therapeutic Whirlpool for trainer's room

- Training sled for track & football teams

- Financial support for the Senior Sports Luncheon at end of the year.
- New signage for the lower gym
- New signage around the track and outdoor fields
- New ticketing booth
- Funded the construction of the Concession Stand
- Purchased popcorn maker , deep fryer and hot dog cart
- The concession stand is opened more consistently
- Table Drape for signing day
- Trophy Case for Hall of Fame hallway
- The T- Shirt Program was reinstated. (all athletes receive a booster t-shirt)

This year we will be providing insulated tote bags.

Our Goal is to include more students in the athletic programs at the school and to expand the ways in which our Booster Organization helps student-athletes during their years at Ramapo.

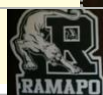

You can join one of 3 ways:

1. [Our Website](#)
2. [RHS APTS Website](#)
3. [Your Team Booster Rep](#)

Membership is \$75 per family

Meetings are held the 2nd Monday of every month.
